

Aberdeenshire's School Enhanced Provision – Informal Engagement Events

In March 2014 Education Learning & Leisure Committee approved in principle the model of enhanced provision. It was agreed that an informal stakeholder consultation and engagement phase would commence in June 2014 leading to a statutory consultation phase in Autumn 2014 for a period up to nine months.

The informal engagement events are open to school staff, parents and all key stakeholders. We would welcome the opportunity to discuss the agreed plans, next steps and answer questions that you may have regarding the model of Enhanced Provision.

Please find attached the dates for informal engagements events taking place across Aberdeenshire. There is a morning and evening event aimed at parents and the wider community as well as a twilight session for school staff, although you are welcome to attend any of the three sessions.

Should you have any questions or queries regarding the events please do not hesitate to contact:
